Marbella's very own author Regina Roman presented her new book *Cuarenta y cinco* at @ SPORT gym, Puerto Sanús. In collaboration with Bellaria desserts ([www.bellaria.es](http://www.bellaria.es)), in a fun-filled event the author talked about her new book, and how it explores a new genre in literature, encompassing comedy, fiction and psychology. Her next book will also be available for FREE download at [reginaroman.com](http://reginaroman.com).
